# RECYCLING IN HAH!

Program begins October 1, 2016

- Two blue recycling stations will be next to the HAH trash dumpsters near maintenance and the Lodge.
- No need to separate items – this is Single Stream Recycling!
- All Recyclables MUST go inside blue recycling bins. If the bins are full, then discard the items in the regular dumpsters. An extra recycling pick-up will be requested. Do not set recyclables outside of the blue bins.
- Recyclables do NOT include HOUSEHOLD TRASH - When in doubt "DON'T."
- It is estimated that HAH can divert 40 tons of household waste away from landfills in one year.
- Thank-You to the HAH Management committee and Staff, Long Range Planning & Adopt-An-Area committees and the Athens-Hocking Recycling Center AHRC
